

Dear Families, Administrators and Teachers:

The KDE PTA knows that a strong partnership among our families, school leaders and community members is important to the success of our students and school. That's why we are participating in the National PTA School of Excellence program, which grows partnerships between PTAs and schools to enrich the educational experience and overall well-being of all students.

At a National PTA School of Excellence, families feel welcomed and empowered to support student success, and PTA is a key partner for continuous school improvement. We feel Keiko Davidson Elementary and the KDE PTA can achieve that together—and the result will be national, state and community-wide visibility for the positive impact we are making together at Keiko Davidson Elementary.

We need your help! As part of the process, National PTA requests feedback from families, administrators and teachers at two points in the school year—the beginning and the end. Your feedback will help us improve our family-school partnership and achieve excellence.
